- Quiet, but has his moments – I tried to talk to him every day – he said 'hi'
- Scored 3 goals without taking many shots !!

AJ Cochran

- good in the air would be a major understatement

Kyle Malle

Sean Kuster

- Great soccer brain – great soccer future

Sam Carenza

- Extremely versatile -- attack, defend, build up
- Tremendous vision -- he makes plays most people don't even see
- Dangerous as a setup player or a finisher, or a defender
- Big time player – capable of big plays at big moments – great soccer future

Matt Hutchison

- Please call him Maverick
- Missed a chunk of the season with mono
- We only saw glimpses of what he can do
- Clinical finisher – he has the goal measured
- He showed his ‘stuff’ in the Hickman game

Justin Bilyeu

- Cool and calm – not much rattles him
- Did a great job playing wide left this year
- Will be a dominant player in the midfield in the future
- Told a reporter after the Vianney Qtr. Final – “we’re going to win State”

Dylan Hundelt

- Hit a Bomb vs Chaminade in the CYC Semi Final game
- The Chaminade goal in most years would be the Goal of the Year
- Quiet, but very effective player, with a bit of a physical side to him
- Gave us strength in the wide position and can play other positions as well

Jake Bond

- Overcame adversity and had a great season
- Scored some nice goals throughout the year and
- Didn't he score a goal late in the year ???
- Versatile attacking player – can play wide or central -- mdfd / fwd

Mike Pavlisin

- Once wore a Spiderman costume to practice –
- Natural leader – loves to take charge
- Did well this year and look forward to much more next year ---
- Reads the game well and plays out well - good defensive midfielder

Tim Tumminia

- Solid defender with confidence and toughness
- Did well for us prior to an injury
- Missed the middle of the year with his injury
- Great asset to the team
- Does a good job of organizing when playing in the center back position
-

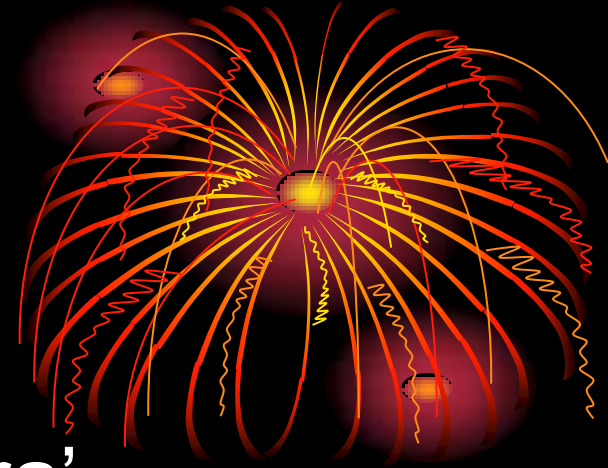

Vic Lombardo

- Fairshon called Victor 'little one' –
how about that ??
- Great season with very steady play,
timely goals and important assists
- You would never confuse Victor with AJ,
especially when the ball was in the air
- Victor was very versatile -- saw a lot of
different places in the field this year

Corey Nolte

- 'he makes his own sweaters' –
on the board in the meeting room
- Very intense and focused – wants to do everything right

- Good at getting in quality crosses

Ryan Droege

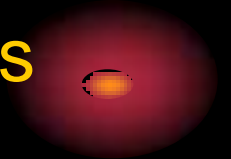

- Lot of potential – big, strong, good in the air
- Did well in the short time he was with us
- Scored a big goal to silence a mild rally by Hickman
- Worked hard to help the team – always ready to go

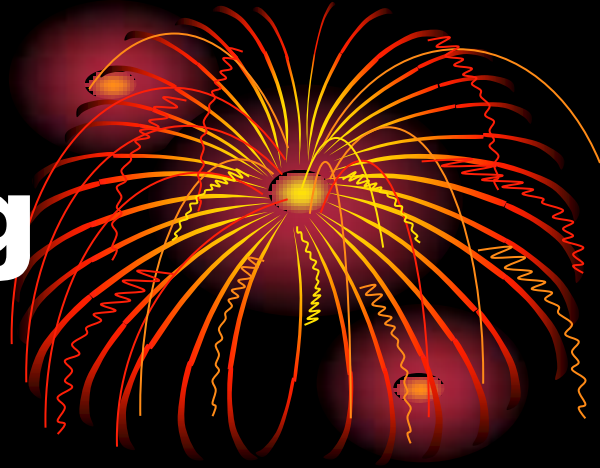

Tyler Nienas

- 'Never had one like him before'
- Chased balls out of bounds like there was gold in them ----
- The Derby Star balls are better than gold and Tyler knew that – it drove him!!!
- He added a lot to the team this year --
- His sprints to retrieve the balls were faster than some of the players on the field

Nathan Maglasang

- State Champion manager –
- Brother of Nick from SLUH (Player of the Year – 2008), but not a State Champ
- Nathan's mom Jill said it best –
“Nathan picked the right time to do this”
- Quiet, but added a nice touch to the team
- Did not have Tyler's speed (at least he never showed it)
-

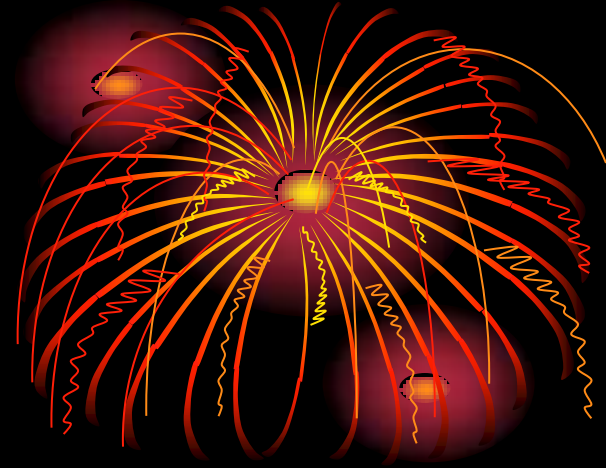

Mike McCarthy

- Mike never chased the balls and did not have a brother playing for the wrong school, so what about Mike?
- Mike was the business end of the deal – he seemed to be the manager's manager –
- The CEO of the crew, if you will.
- In his own quiet way, Mike went about his duties and made sure that everything was as it should be

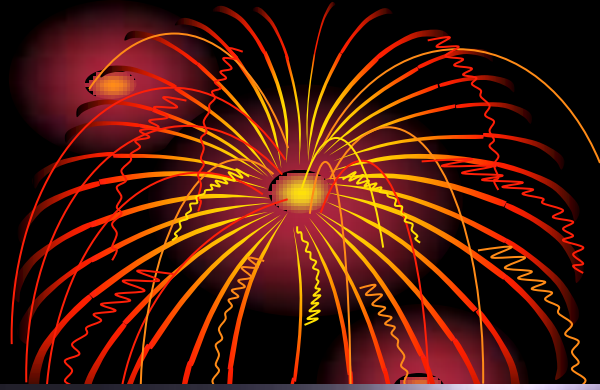

THE WILL OF CHAMPION

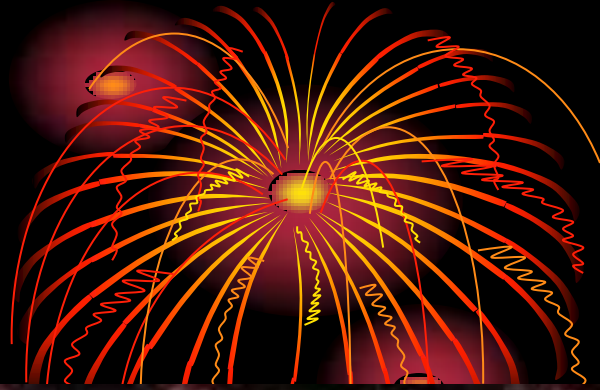

- **The only way of finding a solution**
- **is to fight back, to move, to run,**
- **and to control that pressure**
